**To Apply: Please send a cover letter and a resume to [info@sahiyo.com](mailto:info@sahiyo.com)**

Are passionate about **human rights**, ending **gender-based violence**, and enjoy **virtual event planning**? Then join the [Sahiyo](#) team as an **Events and Programs Intern**! We are looking for a part-time intern to assist in coordinating our community outreach education programs to help increase education and awareness about female genital cutting.

Sahiyo began in 2015 as a conversation between [five women](#) who felt strongly about the ritual of female genital cutting. As our collaboration grew, we realized the need for an organized, informed forum within the community that could help drive a movement to bring an end to khatna. That is how Sahiyo, the organization, was born.

We are dedicated to empowering Asian communities to end female genital cutting (FGC) and create positive social change through dialogue, education and collaboration based on community involvement. By working towards an FGC-free world, we aim to recognize and emphasize the values of consent and a child's/woman's right over her own body. We aim to enable a culture in which female sexuality is not feared or suppressed but embraced as normal.
